LIGHTING

WHERE EXCLUSIVITY MEETS AFFORDABILITY

Catalog **24**

Access Lighting is family owned and operated by individuals who have a genuine desire to provide “good old-fashioned” customer service fueled by honesty and integrity. This approach to business can be found in each and every associate, all of whom work tirelessly to make every interaction with Access Lighting a pleasurable experience.

Contemporary lighting that is exclusive and affordable; these are the fundamental concepts that define Access Lighting. Combine these ingredients with a desire to provide phenomenal service and timely shipping, and you have a clear understanding for the drive behind Access Lighting and the reason that we have blossomed into your source for contemporary lighting.

Access Lighting is focused on catering to you, our valued customer, to whom we are grateful for our continued success. It is with you, the customer, in mind that we make our product choices, working with designers far and wide across the globe to design and develop our exclusive range of lighting fixtures. We make every attempt to obtain product that offers great options for a variety of applications, and we are often inspired by the requests and ideas of our customers. We choose lighting that is extraordinary, affordable and cutting edge. Our energy efficient program includes a comprehensive collection of fluorescent fixtures, custom built to meet your needs. In addition, we have always felt that is vital, as a company, to stay abreast of the latest technology and this is evident in our ever growing collection of contemporary LED fixtures.

It is with great pleasure that we present to you, our latest catalog, “# 24”. We are truly proud of this catalog. We see it as representation of the phenomenal growth that our company has experienced in terms of our understanding and appreciation for contemporary lighting, and the current trends. We hope that you will find this catalog a useful tool, and that it will assist you in making your job even more pleasurable.

Sincerely,

A handwritten signature in dark ink, appearing to read "H. Rosenblatt", is positioned to the right of the word "Sincerely,". The signature is written in a cursive, flowing style.

CUSTOM CAPABILITIES

At Access Lighting we take pride in catering to our customers design requirements. With our UL approved conversion center we can modify our fixtures to fit your unique lamping needs. By constantly researching and investing in a wide variety of cutting edge technology, we offer a vast number of distinctive selections.

We spend countless hours designing and debating our product range and you will see the results of this throughout our catalogue. But we understand each client has their own set of requirements and we will make every effort to find what works best for you. All modifications are completed in our own facility so there are regular progress reports and no delays.

Whether you are looking for dimming fluorescents, emergency backups or the latest in LED technology, Access Lighting will deliver the best solution, on time and within your budget.

OPERATING CHARACTERISTICS

DIMMING: The lamp is dimmable with analog dimmers only, dimming range of 100% to 20%

CYCLING: The lamp life is not effected by on/off cycling

OPERATING LIFE: 25000 hours

CRI: ≥ 82

KELVIN TEMPERATURE: 2700k

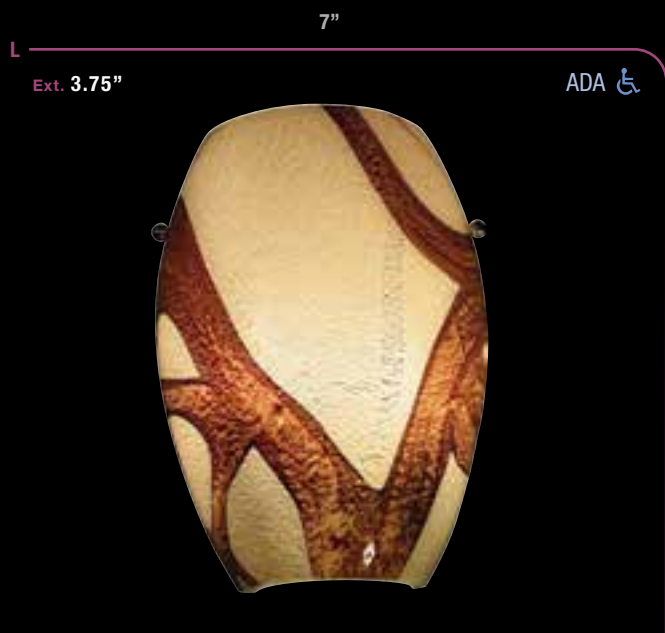

LUMEN OUTPUT: 800

POWER FACTOR: High Power Factor (>.90)

OPERATING TEMPERATURE: 122°F (50°C) to 32°F (0°C)

BS	Brushed Steel	
CH	Chrome	
MC	Matte Chrome	
ORB	Oil-Rubbed Bronze	
PB	Polished Brass	
RU	Rust	
SAT	Satin	
SILV	Silver	
SS	Stainless Steel	
WH	White	

Certifications

UL / CUL / CETL

Certified UL, CUL or CETL. All fixtures are certified by these accredited testing laboratories for wet, damp or dry locations as noted.

Available in Fluorescent

Fixtures with **Available in Fluorescent** can be converted to energy efficient lighting.

Access Lighting is a proud Energy Star Partner.

ADA Compliant

Fixtures with **ADA**  comply with the Americans with Disabilities Act. (Extends 4" or less.)
