Recesso Decorative Trims

Updating your space has never been simpler or more economical.

By covering recessed lights with Recesso fixtures, you can transform the décor without sheetrock or electrical work.

Recesso decorative trims are hung from the ceiling around existing or new recessed can lights, using our patented universal ceiling locking ring. The ring fits around 5" to 6" recessed cans, any make or model, standard or retrofit.

Transform any recessed light using our patented ceiling locking ring and any of our Recesso recessed light shades.

INSTALLS IN TWO SIMPLE STEPS

Works with any recessed cans 5" to 6". Simple elegant solution that installs in minutes.
