GARDEN LIVING

LIGHTING BY EGLO

SIE HABEN EIN FEINES GESPÜR FÜR STIM-
MUNGEN UND UMGEBEN SICH GERN MIT
SCHÖNEN DINGEN?

Dazu gehören für Sie auch Leuchten, mit de-
nen Sie zielsicher eine bestimmte Atmosphä-
re schaffen. Mit GARDEN LIVING können Sie
das jetzt auch im Freien tun. Das Programm
an Bogenleuchten, Stehleuchten – manche
mit einem Erdspieß –, Wandleuchten und
Lichtobjekten in verschiedenen Farben ist
Ihre Werkzeugpalette dafür. Amüsante
Details wie austauschbare Lampenschirme
oder Lichtobjekte, die als Blumentopf oder
als Sitzgelegenheit dienen können, ge-
ben Ihnen die Möglichkeit, einen zusätz-
lichen Wohnraum im Freien zu gestalten.

YOU ARE SPECIAL IN CREATING A POSITIVE
ATMOSPHERE AND YOU LOVE GOOD DESIGN?

Good lighting is part of your creative tool set.
With GARDEN LIVING you can create the at-
mosphere you like – even outdoors without
losing your good design focus. You can choose
from a full range of special products: standing
lamps in curved or straight shapes, some with
earth spike and especially long lead cable. You
may find it inspiring that lamp shades can be
changed; light objects can be light in different
colours or used as seat or flower pot. Create the
atmosphere you love in your personal urban retreat.

VOUS CAPTEZ INTUITIVEMENT LES AMBIANCES ET
VOUS AIMEZ VOUS ENTOURER DE BELLES CHOSES?

À vos yeux, les luminaires en font aussi partie,
puisqu'ils vous permettent de créer à coup sûr
une atmosphère particulière. Avec GARDEN LI-
VING, vous pouvez à présent faire de même à
l'extérieur. Le programme comprenant lanternes
à bras, bornes – dont certains modèles équipés
d'un pic –, appliques murales et objets lumineux
de diverses couleurs, sera votre palette d'outils.
D'amusants détails comme les abat-jour échan-
geables, ou les objets lumineux qui peuvent ser-
vir de siège, vous offriront l'occasion d'aménager
en plein air une nouvelle pièce à vivre.

... UND SO FUNKTIONIERT'S
... THIS IS HOW IT WORKS
... UN MODÈLE À VOTRE GOÛT

Mit dem EGLO-Baukastensystem **MY CHOICE** können Sie sich Ihre persönliche Leuchte ganz einfach selber erstellen. Kombinieren Sie einfach verschiedene Armaturen mit unterschiedlichen Gläsern und erhalten Sie so eine individuelle Leuchte, wie sie (fast) niemand hat!

The EGLO modular system **MY CHOICE** enables you very easily to create your personal lighting yourself. Simply combine different fittings with various glasses and you have an individual lamp, which no one else (or hardly anyone else) has!

Avec le système de création **MY CHOICE** vous pouvez créer votre luminaire facilement. Assemblez tout simplement diverses armatures avec des verres différents. Vous obtiendrez alors votre luminaire „unique“; celui que personne d'autre n'aura.

Die Grundformen Steh-, Sockel- und Wandleuchte sind als Basismodelle erhältlich. Die dazu passenden Gläser sind in drei verschiedenen Designs erhältlich. Alle Basismodelle sind im Handumdrehen mit den verschiedenen Gläsern kombinierbar.

The basic lamps for floor, table and wall are available as basic models. The glasses to match these models are available in three different designs. All lamps can be easily interchanged with all three glass designs.

Les formes de base lampadaires, lampes à poser et appliques sont disponibles comme modèles de base. Les verres de luminaires adaptés aux ces modèles sont disponibles en trois dessins différents. Chaque modèle de base peut être combiné avec les différents verres en un instant.
