BATH AND SPA
COLLECTIONS

Today's Home Spa deserves focal points, not merely fixtures.

Our award-winning creative team has fashioned a diverse and inspiring suite of premium bath lighting and décor products, many of which have been featured in fine hotels, resorts and luxury spas across the world.

We've curated an exciting range of vanities: from highly elegant traditional collections showcasing expressively scrolled metalwork or gorgeous faceted crystal shades, to transitional models lavished with Polished Chrome and stylish Art Deco nuances, to cutting-edge statement pieces featuring Vintage Industrial cast metal sockets or crisp, linear aluminum casements.

To this we've added an expanded offering of beautifully crafted mirrors, from lustrous hand-etched Venetians, to dynamic geometric configurations, to generously scaled efforts of artistry utilizing meticulously hand-inlaid Mother of Pearl, to the most contemporary Integrated LED technology. Finally, we've hand- selected an infusion of coordinating flush mounts and pendants with the design versatility to work in decorative spaces ranging from Classic Chic to on-trend Modern Farmhouse.

Every home has a bathroom. Through superior ingenuity, a commitment to quality workmanship, and a friendly and knowledgeable customer care team, ELK makes it easy to find that brilliant addition that turns it into a haven.

This bath and spa catalog brings together a comprehensive selection of lighting spanning three exclusive lifestyle brands: Alico, Cornerstone and ELK Lighting. Since each brand possesses unique style, quality and pricing attributes, we've added identifying logos to the Cornerstone and Alico items, making it ever easier to make the ideal selection. Learn more about each brand below or visit their website for additional information.

Lighting fixtures for discerning customers that inspire creativity and reflect a commitment to quality, innovation and style.
