DAZED

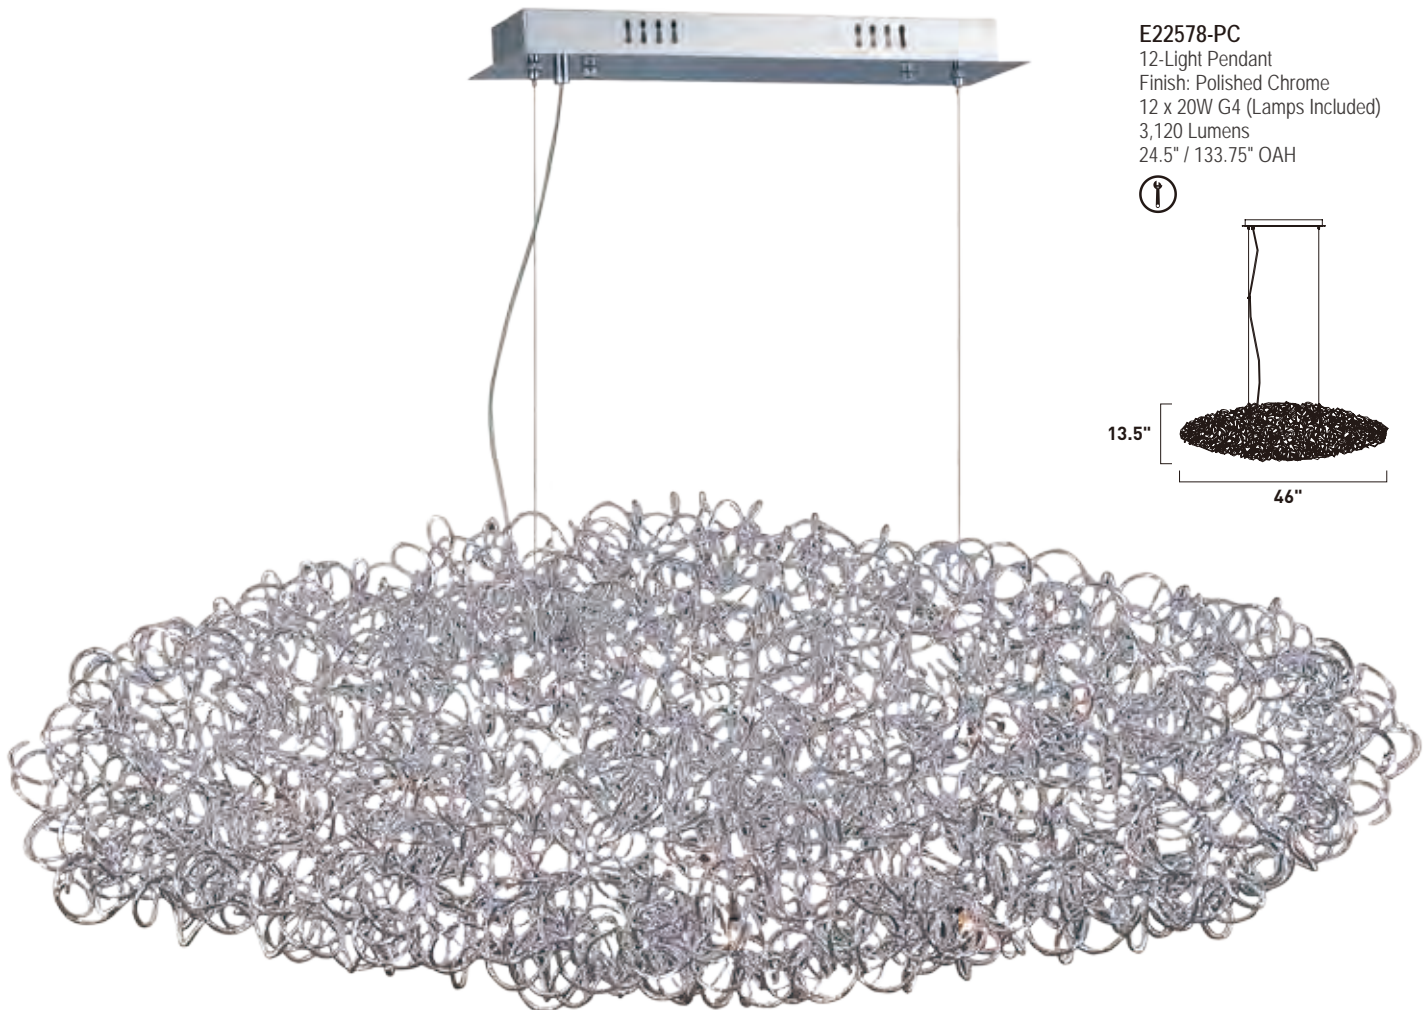

Sculptures created from Polished Chrome aluminum rods are formed by hand into a mod-silhouette, perfect for loft living and cosmopolitan lifestyles. Woven through the interior are strings of clear G4 Xenon lamps that add sparkle as they reflect off of the embellished etched patterns of the aluminum. Fashion forward and style genre-defying, the Dazed collection goes with a myriad of looks from art deco to pop art.

SENSE II

The Sense II collection lends an air of cosmic mysticism with hand-twisted polished aluminum rods wrapped around 20 Watt G4 Xenon lamps. The sinuous curves hint at eccentric glamour and feature modern technology with its state-of-the-art Smith & Kole 12-volt transformer, among the best in the market. This sculptural fixture commands the center of attention, anchoring the look of a living space.

PANDORA

The Pandora collection is restrained Euro-styled elegance that adds architectural dimension with clean lines and fully dimmable turned aluminum candles with acrylic fonts lit by 3000 K LED uplights. Available in a sleek square or rectangular black metallic platform, each fixture is paired with the same LEDs cleverly concealed beneath the table as down lights. The Pandora collection makes a subtle and sophisticated statement in any room of the house.

QUAD

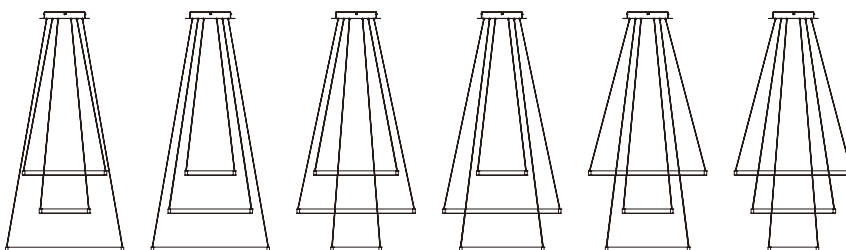

Cubist art reimagined through lighting, the Quad collection features suspended aluminum squares finished in a warm Bronze in multiple tiers, illuminated by high powered dimmable LEDs housed within the frame. The collection offers tremendous design flexibility with adjustable connectors for multiple configurations. The hanging illuminated squares serve as kinetic sculptures, adding a dimension of movement of the room.

DONUTS

The Donut collection is nod to retro, industrial and modern design sensibilities. Each fixture features floating round donuts of spun steel finished in a mirror like Polished Chrome. Clustered together, these rings house LEDs that glow upward into the white interior reflectors that move light indirectly out of the fixture without the glare of a direct light source.

E22599-PC

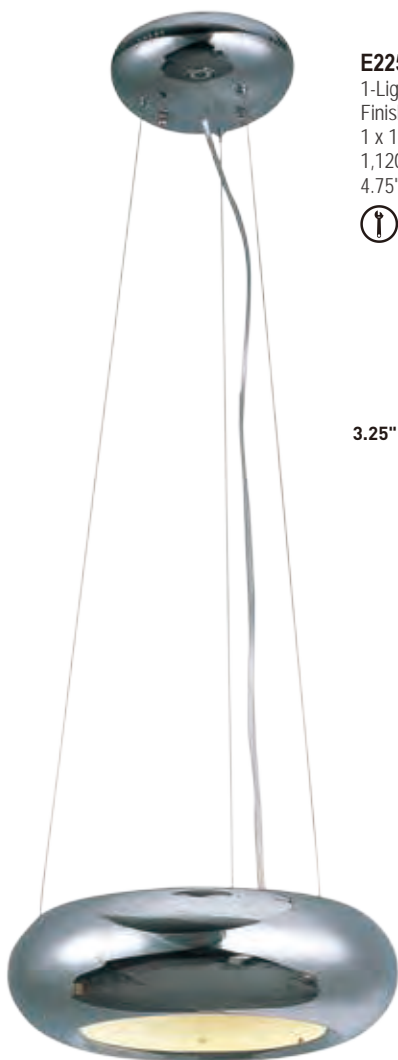

9-Light Pendant
Finish: Polished Chrome
9 x 16W LED (Lamps Included)
10,080 Lumens
4.75" / 124.25" OAH

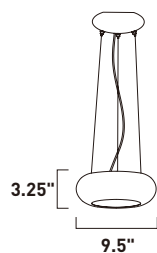

LED is thrown upwards into the white interior reflectors of the rings. Those reflectors then move light indirectly out and into the room, without the glare of a direct source.

- Dimmable LED

SOLAR

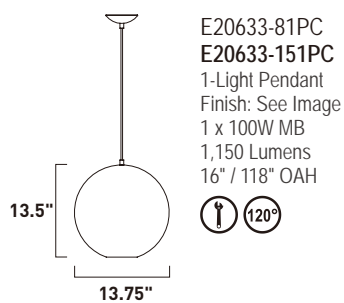

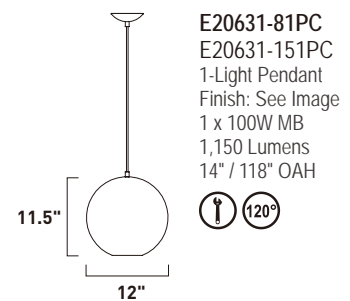

The Solar collection embraces metallic trends with its chrome or copper plated blown glass orbs with interior chrome finishes, available in 12", 14" and 16" diameters. The celestial inspired globes can morph from retro to modern styling. The Solar collection is the perfect companion to metallic infused furnishings and decorative accents across all styles from industrial to collected-eclectic

ARHAUS

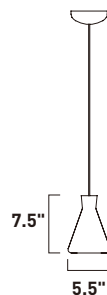

The Arhaus collection creates intrigue as a visual paradox, making unconventional use of solid wood as hanging pendant shades. The solid, lathe turned pendants of sculpted wood shapes are lit with dimmable 3 Watt LED modules in 3000 K and straddle the design spectrum from industrial to modern and rustic luxe. For a fresh take on the traditional chandelier, group several pendants together at various heights in a soft organic cluster.

Bulb Type Glossary

CF- Compact Fluorescent

F-Fluorescent

H-Halogen

I - Incandescent

L - LED

X - Xenon

Dimmable using standard dimmer.

Lutron®CL dimmers are recommended.

Warranty and Other Information

- For specific and detailed warranty information, ask your ET2 Contemporary Lighting sales representative or visit www.et2online.com/warranty.
- ET2 Contemporary Lighting reserves the right to change details of design, materials, colors and finishes. Color may vary from what is pictured due to limitations inherent to the photographic process.
- Always consult a qualified, licensed electrician before installation of any product weighing 35 pounds or more. We recommend that a qualified, licensed electrician do installations. Always install to a mechanically sound structure.
- Products in this supplement are UL or ETL certified. All electrical products are certified and listed to standards for use in the United States of America or Canada.
- Lamps are not included unless otherwise noted.
- Printed in China
