Legendary meets contemporary with the Inca Collection. Reminiscent of the mythical tales of Incan treasures, the fixtures offer brilliantly shining crystal enclosed within a precision laser-cut sheath that cannot be duplicated. The glow of the xenon light from within casts a beautifully radiant shine that adorns the outer permeable layer.

This forever popular collection is now better than ever. High output LEDs now illuminate the bubble glass pendants. The LED modules produce 20% more light, 90% less heat, 25 time longer life, and 75% less energy than the previous halogen lamp. You also still have dimming capability, adding a personal touch to your space.

ECO-TASK

A minimalist's dream, the Eco-Task Collection creates a brilliant light source without intruding on the task it illuminates. Whether crunching numbers or creating masterpieces, these workhorses light the way in a sleek style all their own. With finishes ranging from Polished Chrome to Satin Chrome, from Satin Black to Aluminum, these table, floor, and desk lamps make sense in any décor and employ energy-saving LEDs that make every task eco friendly and economical.

- Full range dimming

 28W + 6W LED (Integrated) | 2,750 Lumens
 78.75" power cord with driver housed in the plug

Dabble in the art of design by creating a custom collection that can be compared to none. Designed with four different light options perfect for your space (fluorescent, LED, Xenon or incandescent), the Carte Collection is sure to appeal to everyone. Paired it with the perfect finish offerings in satin nickel or oil-rubbed bronze, the number of different options is mind blowing. Complete the unique creation with a dizzying of glass selections. Choice lighting just took on a whole new meaning.

The Alumilux collection of high quality wall sconces are sure to impress. European inspired design, machined out of blocks of solid aluminum, give these sconces both the look and quality expected for the discriminate buyer. High powered LEDs drive the light in dramatic fashion and many are approved for wet location applications.

Warranty and Other Information

- For specific and detailed warranty information, ask your ET2 Contemporary Lighting sales representative or visit www.et2online.com/warranty.
- ET2 Contemporary Lighting reserves the right to change details of design, materials, colors and finishes. Color may vary from what is pictured due to limitations inherent to the photographic process.
- Always consult a qualified, licensed electrician before installation of any product weighing 35 pounds or more. We recommend that a qualified, licensed electrician do installations. Always install to a mechanically sound structure.
- Products in this supplement are UL or ETL certified. All electrical products are certified and listed to standards for use in the United States of America or Canada.
- Bulbs are not included unless otherwise noted.
- Printed in China
