FIZZ |||

This forever popular collection is now better than ever. High output LEDs now illuminate the bubble glass pendants. The LED modules produce 20% more light, 90% less heat, 25% longer life, and 75% less energy than the previous halogen lamp. You also still have dimming capability, adding a personal touch to your space.

X - Xenon

Warranty and Other Information

- For specific and detailed warranty information, ask your ET2 Contemporary Lighting sales representative or visit www.et2online.com/warranty.
- ET2 Contemporary Lighting reserves the right to change details of design, materials, colors and finishes.
Color may vary from what is pictured due to limitations inherent to the photographic process.
- Always consult a qualified, licensed electrician before installation of any product weighing 35 pounds or more.
We recommend that a qualified, licensed electrician do installations. Always install to a mechanically sound structure.
- Products in this supplement are UL or ETL certified. All electrical products are certified and listed to standards for use in the United States of America or Canada.
- Lamps are not included unless otherwise noted.
- Printed in China
