

PRODUCT DESCRIPTION

Circle meets the square in the contemporary pendant Nucleus collection. The sophisticated design of the double layer Clear/White glass shade speaks volumes as to the truth of less equaling more. Clear-glass spheres define the unique profile of this exquisite kitchen island/billiard application. Nestled inside each sphere is an inner cube of opal glass that holds a xenon light source, secured by a Polished Chrome lamp holder and a Brushed Aluminum frame.

MEASUREMENTS

DIMENSION : 4" W x 6" H
