Dimensions and specifications in this catalog are approximate and based on the most current information possible at the time of publication. Golden Lighting reserves the right to make design changes and modifications without prior notice. Golden Lighting products are UL/CUL approved. Unless otherwise noted as pending, wattages stated are the maximum recommended; however, lower wattages may be used. Bulbs are not included unless otherwise noted. Larger fixtures may require reinforced outlet boxes and additional support. Receipt or possession of this catalog does not constitute an agreement to sell.

We strive to make sure the finish samples shown in this catalog match the actual finish of the product, however, finishes may vary due to multiple chemical processes and the very nature of handcraftsmanship.

To see larger color swatch samples of all fixture finishes, please see pages 258-259.
