

TODAY'S LIGHTING CLASSICS

MASTER SUPPLEMENT

Savoy House COLLECTIONS...

The 2014 Savoy House collections continue our design mission: to create recognized, highly stylized products at great values. Matching excellent prices with extraordinary design is a Savoy tradition. Simply put, we craft affordable lighting art.

Equal to our focus on and passion for great design is our commitment to quality engineering and production standards. Savoy products undergo countless inspections and rigid testing before leaving the factory, all done by our employees and their discerning eyes.

Marvelous design, superior standards of quality and notable value—these are all things that our clients have come to expect from Savoy House since we were founded in 1965. Our spectacular 2014 collections continue the traditional Savoy experience of excitement and satisfaction with our products.

Our hope is that Savoy's lighting merchandise and exemplary service will combine to make the demands of your job a lot easier. The commitment we have extends not only to design and quality, but to you, our valued customers.

As always, we thank you for our continued growth, made possible through your kind and loyal support.
