# Fanshawe

The Fanshawe Collection elegantly blends Art Deco with Venice. Tiers of hand-blown glass arms are combined with layers of conical glass columns and Clear Firenze crystal accents. Allegrì's mirror-like Chrome finish seems to disappear and let the striking crystal take center-stage.

# Barret

The Barret Collection was inspired by Victorian Era lighting and decor. The delicate curves of these fixtures are available in 011 French Gold finish. The multi-faceted bobeches and crystal pendeloques combine clear crystals to reflect warm light and a subtle sparkle.

# Velazquez

The Velazquez Collection is a levitating sphere of crystal and glass. An outer stratum of Clear Firenze crystal beads encircles floating clear and amber hand-blown glass bubbles. Downlights shine from a base finished in Allegri's Chrome to produce a subtle sparkle of light that refracts off the beads and bubbles for a striking and modern chandelier.
