

Lighting & Accessories

Thank you for choosing Cal Lighting. We know you have many choices with it comes to lighting and lamps. We want to assure you that when you purchase from Cal Lighting, you are part of the family. Our goals are simple. We want to provide our customers in-trend designs and quality goods that you can be proud of. We want our customers to feel welcome and important. That is why our customer service is one of the best in the industry.

Browsing through this catalog you will be amazed at the variety of styles and designs we carry. You will find collections such as hand forged wrought iron, modern, transitional, casual, juvenile, contract, functional, and mica/mission, and traditional lighting. Every lamp is elegantly designed and carefully crafted by our experienced craftsman.

With our over 100,000 sq. ft. warehouse facility located in Ontario, California, we have been able to expand our line tremendously with more selections. We have showrooms in all major markets such as Dallas, High Point, and Las Vegas. Please visit us during market dates to see our newest introductions.

Your continuous support means a lot to us. Enjoy the lamps and let Cal Lighting brighten every home with warmth and comfort.

Bulbs Are Included.

Changing Scheme

Low Voltage Pendant Cord

Each low voltage pendant comes with a default 6' cord finish as shown in each individual image in this catalog.

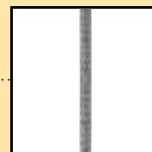

- Customer can request cord change either in length or in finish (including the cap) for a small up-charge. Please refer to the latest price sheet for this up-charge.
- Cord finishes are **Braided Steel**, **Dark Bronze**, and **Rust**.
- 3 standard lengths are available (6', 10', 18'). Customer needs to purchase a standard length and then trim to their desired length in the field.

Example #1 if the original pendant is

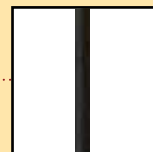

UP-1045/6-BS

and customer wishes to change to Rust cord with 6',
the new model on purchase order would be

UP-1045/6-RU

**Braided
Steel**

**Dark
Bronze**

Rust

Example #2 if the original pendant is

UP-959/6-BS

and customer wishes to change to Dark Bronze cord and to 18',
the new model on purchase order would be

UP-959/18-DB

Changing Scheme Line Voltage Pendant Cord

Each line voltage pendant comes with a default 6' cord finish as shown in each individual image in this catalog.

- Customer can request cord change either in length or in finish (including the cap) for a small up-charge. Please refer to the latest price sheet for this up-charge.
- Cord finishes are **Black**, **Braided Steel**, **Dark Bronze**, **Rust** and **White**.
- Cord length in increments of 1 ft is available for a small up-charge. Please refer to the latest price sheet for this up-charge. Customers may also trim to their desired length in the field.

Example #1 if the original pendant is

UP-1022/6-BS

and customer wishes to change to Black cord with 6',
the new model on purchase order would be

UP-1022/6-BK

Example #2 if the original pendant is

UP-1042/6-BS

and customer wishes to change to Rust cord with 4',
the new model on purchase order would be

UP-1042/4-RU

HT HT track system is known as 3-wire single circuit polarized-grounded system and is the most popular track system on the market today.

HT is also known as "H" type track.

Cal Lighting carries full lines of tracks, connectors, track heads, and accessories.

JT JT track system is known as 2-wire-wide or "J" type single circuit track system. Cal Lighting carries compatible track heads only.

75W & Extended Version

Low Voltage Fixtures

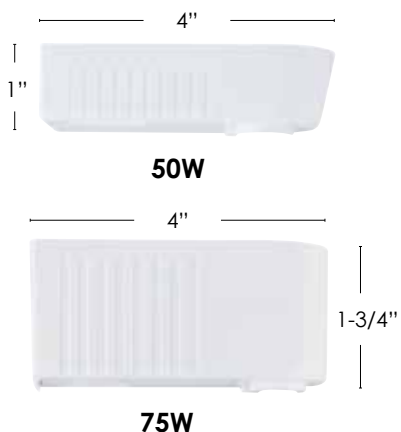

Extension Poles can be added to the low voltage fixture at the factory when the order is placed. Pole lengths are 6", 12", 18", 24", 36", and 48". **Example: HT-192-WH w/ 36", HT-192/EX36-WH.**

Also Available in:
**Brushed Steel (BS),
Dark Bronze (DB),
Rust (RU)**

75W Transformer

Low Voltage Fixtures

75W Transformer is available for selected track heads from the factory when the order is placed. Please note that 75W track head will have the larger case.

75W Transformer Case available in BK, WH, BS, RU, AND DB. Example: HT-192-WH in 75W version, HT-192/75W-WH.
