SAFETY FEATURES

UL

Category: **Indoor Lighting**

Item Number: **D3151**

Collection: **Synchrony**

UPC Code: **818008032929**

Description: **Synchrony Square Chandelier**

synchrony can be defined as the simultaneous or near-simultaneous coordination of two or more events. For our dynamically configured Synchrony series Chandelier, those two things are usually "oohs" and "ahhs". Formed from utterly resplendent Gold Plated nested squares. Chic, modern vibes. Instantly the star of any ambitious design space.
