The Chandelier is the foundation of Dolan Designs collections. From the chandelier we design a family of fixtures to create amazing rooms. Our collections offer simplicity for modern rooms as well as traditional luxury. Craftsmanship and styling are hallmarks of everything we create.

Recesso Lighting by Dolan Designs is our new and exclusive patented recessed light shade collection. No other company offers this decorative and simple solution to transform recessed lights with a simple twist & click.

No home is complete without stunning lighting for the bath, and outdoor. Beautiful individual items, or those that coordinate with our chandeliers, are crafted to illuminate your entire home.

See all of our collections in this catalog or visit us online at www.dolandesigns.com.

RECESSO

RECESSED LIGHT SHADES

Updating your space has never been simpler or more economical.

By covering recessed lights with Recesso fixtures, you can transform the décor without sheetrock or electrical work.

Recesso decorative trims are hung from the ceiling around existing or new recessed lights, using our patented universal ceiling locking ring. The ring fits around 5" to 6" recessed lights, any make or model, standard or retrofit.

Recesso Mounting Made Easy

INSTALLS IN TWO SIMPLE STEPS

Transform any recessed light using our patented ceiling locking ring and any of our Recesso recessed light shades.

STEP 1

Mount locking ring to the ceiling around any recessed light with three screws or molly bolts.

STEP 2

Twist and click your new Recesso shade into place.

Simply twist off to re-lamp or replace with a new Recesso shade.

Twist and lock

Recesso - Recessed Light Covers

Works with any recessed light 5" to 6".
Simple elegant solution that installs in minutes.

Special Mounting Instructions:

Where noted, the weight of the fixture must be supported independently of the electrical box or the electrical box must be UL listed to support the fixture weight. Consult a qualified electrician. Necessary mounting hardware is included.

Energy Saving: Items highlighted in green are energy saving. All ship with compact fluorescent lamps.

Compact Fluorescent Lamps (CFL):

Each 13W CFL bulb is equivalent to 1-60W incandescent lamp.
Each 18W CFL bulb is equivalent to 1-75W incandescent lamp.
Each 23W and 26W CFL bulb is equivalent to 1-100W incandescent lamp.

CFL bulbs supplied with these fixtures can not be used with dimmers.

Fluorescent lamps (bulbs) contain mercury-dispose of these lamps according to local, state or Federal laws. For further information on local, state or other requirements for disposal of mercury-containing lamps, see www.lamprecycle.org or www.epa.gov/cfl
