LOS ANGELES

Googie. Mission Revival. Midcentury modern. Eastlake Victorian. Chateausque. Streamline Moderne. Art Deco. Spanish. Spanish-Moorish. Spanish Colonial Revival. Monterey Colonial Revival. Churrigueresque. Beaux-Arts. Hollywood Regency. What city boasts a more diverse spread of architecture than Los Angeles? Los Angeles embodies style, art, culture, and imagination. Your Designers Fountain team is proud of our roots in Los Angeles and, we've decided to incorporate the city name into our logo. Like Los Angeles, our company is classic, stylish, artistic, and our 2020 vision is filled with imagination and possibility.

Within the pages of this catalog, you will see our company's continued evolution as a style leader within the residential lighting industry. We have products that can be incorporated into every level of renovation and homebuilding, as well as products that also relate to commercial and hospitality construction as well.

Designers Fountain is a one source stop for all of your lighting needs. So, please take your time as you delve into finding the perfect lighting fixtures for your home. With the multitude of finishes and styles such as modern farmhouse, new traditional, transitional, mid-century modern, rustic, and industrial, you will find the lighting choices that fit your personal style, as well as your budget.

CONNECT INSTANTLY

The fun begins when you open the box as these fixtures connect to your WIFI with no hub required.

CONTROL EASILY

You can control your lights with the WiZ app on your smartphone or with voice activated devices from Google Assistant, Amazon Alexa, Siri Shortcuts, or the IFTTT app.

SCHEDULE YOUR LIGHTS TO FIT YOUR LIFE

You can schedule your lights to come on/off at certain times of the day or to be triggered by detecting your phone when you get close to the house. You can even set them to turn on and flash your team's colors when they score.

HAVE FUN WITH COLORS

Choose from preloaded scenes such as Fall, Relax, Wake, or Party modes. You can also create your own fun scenes by choosing from the digital palette of 16 Million colors and 64 Thousand shades of white.

NO DIMMER SWITCH NEEDED

No need to install a LED rated dimmer on your wall. Dim with your phone or voice control devices.

SHARE CONTROL

The cloud based WiZ app gives you the flexibility to have multiple people control your fixtures, and you can set up guest control for specific periods of time.
