## F R E D E R I C K

With a Spanish Bronze finish and detailed leaf accents, the Frederick collection's classic elements and damask-patterned bottom glass diffuser add value and traditional flair to the drum shape. Its shade-in-shade design reveals depth while allowing the outer metal frame, adorned with organza fabric and gold leaf motifs, to stand out.

## WINTERBERRY

The Winterberry collection offers a multitude of clear glass balls accenting the Antique Darkwood finished branches. This series has the appearance of branches covered with frozen water droplets that seemingly grow through its cream fabric shade and translucent diffuser.

# GENEVIEVE

This series offers a brilliant display of shimmering crystal with upscale aesthetics. High quality polished crystal is laced into a lattice patterned Polished Chrome metal band, creating a stunning interplay of light and texture. The design is further enriched by a frosted glass diffuser and crystal finial.

## CRYSTALS

This series showcases an organza outer shade with a “floating” white fabric inner shade, providing a sleek three-dimensional effect. A clear glass diffuser holding hundreds of clear crystals provides contrast to the smooth drum shades and transforms down light into a shimmering work of art. Choose from a Polished Chrome finish with silver organza shade or Black Chrome with a black organza shade.

# LUMINESE

The sparkling effect of the glass in this series is captivating. The process to achieve this desired result starts with making a clear, hand-formed glass bowl. Then, a coating of either clear or amber mini glass fragments are melted to the inside surface, giving it a crystallized appearance, while the outside surface remains smooth. Choose between a Satin Nickel frame with clear glass or Aged Bronze frame with amber glass.

## CRYSTAL INFUSION

The fluidity of this collection is defined by the arching beveled crystals that emerge from an array of laser cut metalwork finished in Polished Nickel. For a dash of contrast, jet black crystal accents have been added to the design as a cradle for innovative hexagon candle covers that continue its sleek, faceted theme.
