# Installation Instructions

## Model E22335-BK

1. It is recommended the fixture be installed by a qualified licensed electrician.
2. Turn breaker off for circuit on outlet where fixture is to be installed.
3. Install rectangular mounting bracket to outlet box.
4. Determine mounting height of fixture and adjust wires accordingly.
5. Wire fixture to outlet. Connect white to neutral and green to ground.
6. Install fixture onto rectangular mounting bracket and tighten screws to secure.

### Warning!

This fixture may be dimmed using standard triac dimmer. For maximum adjustability  
We recommend Lutron CL series dimmers.
