2 Tier - 9 Light Chandelier

In the Hidalgo collection, an unmistakable Spanish influence meets modern sensibilities for an ideal complement to the transitional home. Bold cylinders of Regal Glass form strong vertical lines that resemble pillar candles and compliment both contemporary and rustic decors. The warm glass is coupled with the warmth of the Sovereign Bronze finish. The collection boasts a decidedly rugged charm. This 2-tier, 9 light chandelier creates a dramatic focal point graciously sized for taller living and dining areas.
