50 YEARS OF VISION, PASSION  
AND LEADERSHIP AT HINKLEY  
1969-2019

We’re proud to be a 4th generation family company, and love what we do. We’ve been around for nearly 100 years, creating thoughtful designs with the same quality and style we put in our own homes.

Creativity is at our core, and one of the biggest lessons our dad taught us was to keep looking forward. Hinkley continues to evolve, with lighting and ceiling fans inspired by our family’s commitment to make your life happier. We can’t wait to share our newest designs with you throughout these pages and at [Hinkley.com](https://www.hinkley.com).

Cheers,
