

KALCO®
Handcrafted Since 1980™

INTERIOR · EXTERIOR · FURNITURE

2017

The entire Kalco Family is thrilled to present our 2017 Master Catalog. Designing and Creating Quality Lighting has been our passion since 1980. From hand-crafted and hand finished wrought iron, to sleek stainless steel adorned with beveled crystal elements, our dedicated team of designers and craftsmen treat each piece as a work of art.

As you look through our presentation, pay attention to the details that set us apart. All designs are meticulously constructed so that everywhere you look, the eyes are entertained. Innovative use of materials from Optic Glass, Crystal, Natural Mother of Pearl accents, Solid Brass, Hand Forgings, and Casted Aluminium are incorporated into our frames. The Multi-step hand painted finishes, and deep lustre plated finishes, set off the canvas, and subtle treatment of components like our loops, chain and canopies accentuate the flowing illumination.

Product is certainly important, but it means nothing without our dedication to provide our valued customers the Finest Service in the industry.

It is all part of the Kalco experience.
On behalf of our organization, we truly appreciate your support!

Kalco Ordering Instructions:

1. Select 4 or 6 digit model number (ie. 502450)
2. Select Finish (ie. BZG)

example: 502450BZG

OAH

(includes full chain
or stem length provided)

Unless otherwise noted, standard chain and wire lengths are:

1. Fixtures up to 32" diameter- 4 ft. chain with 8 ft. wire.
2. Fixtures over 32" diameter- 8 ft. chain with 13 ft. wire.
3. Fixture heights DO NOT include the canopy and the minimum chain required.

LED Lamping Option:

Many of our fixtures are supplied with G-9 Xenon lamping. We do offer G-9 LED Lamps, Model # LEDG9/3.5W, sold in 6 packs. (3 watt/2700K/120V/380 Lumens)

CONTRACT & HOSPITALITY

800.525.2655

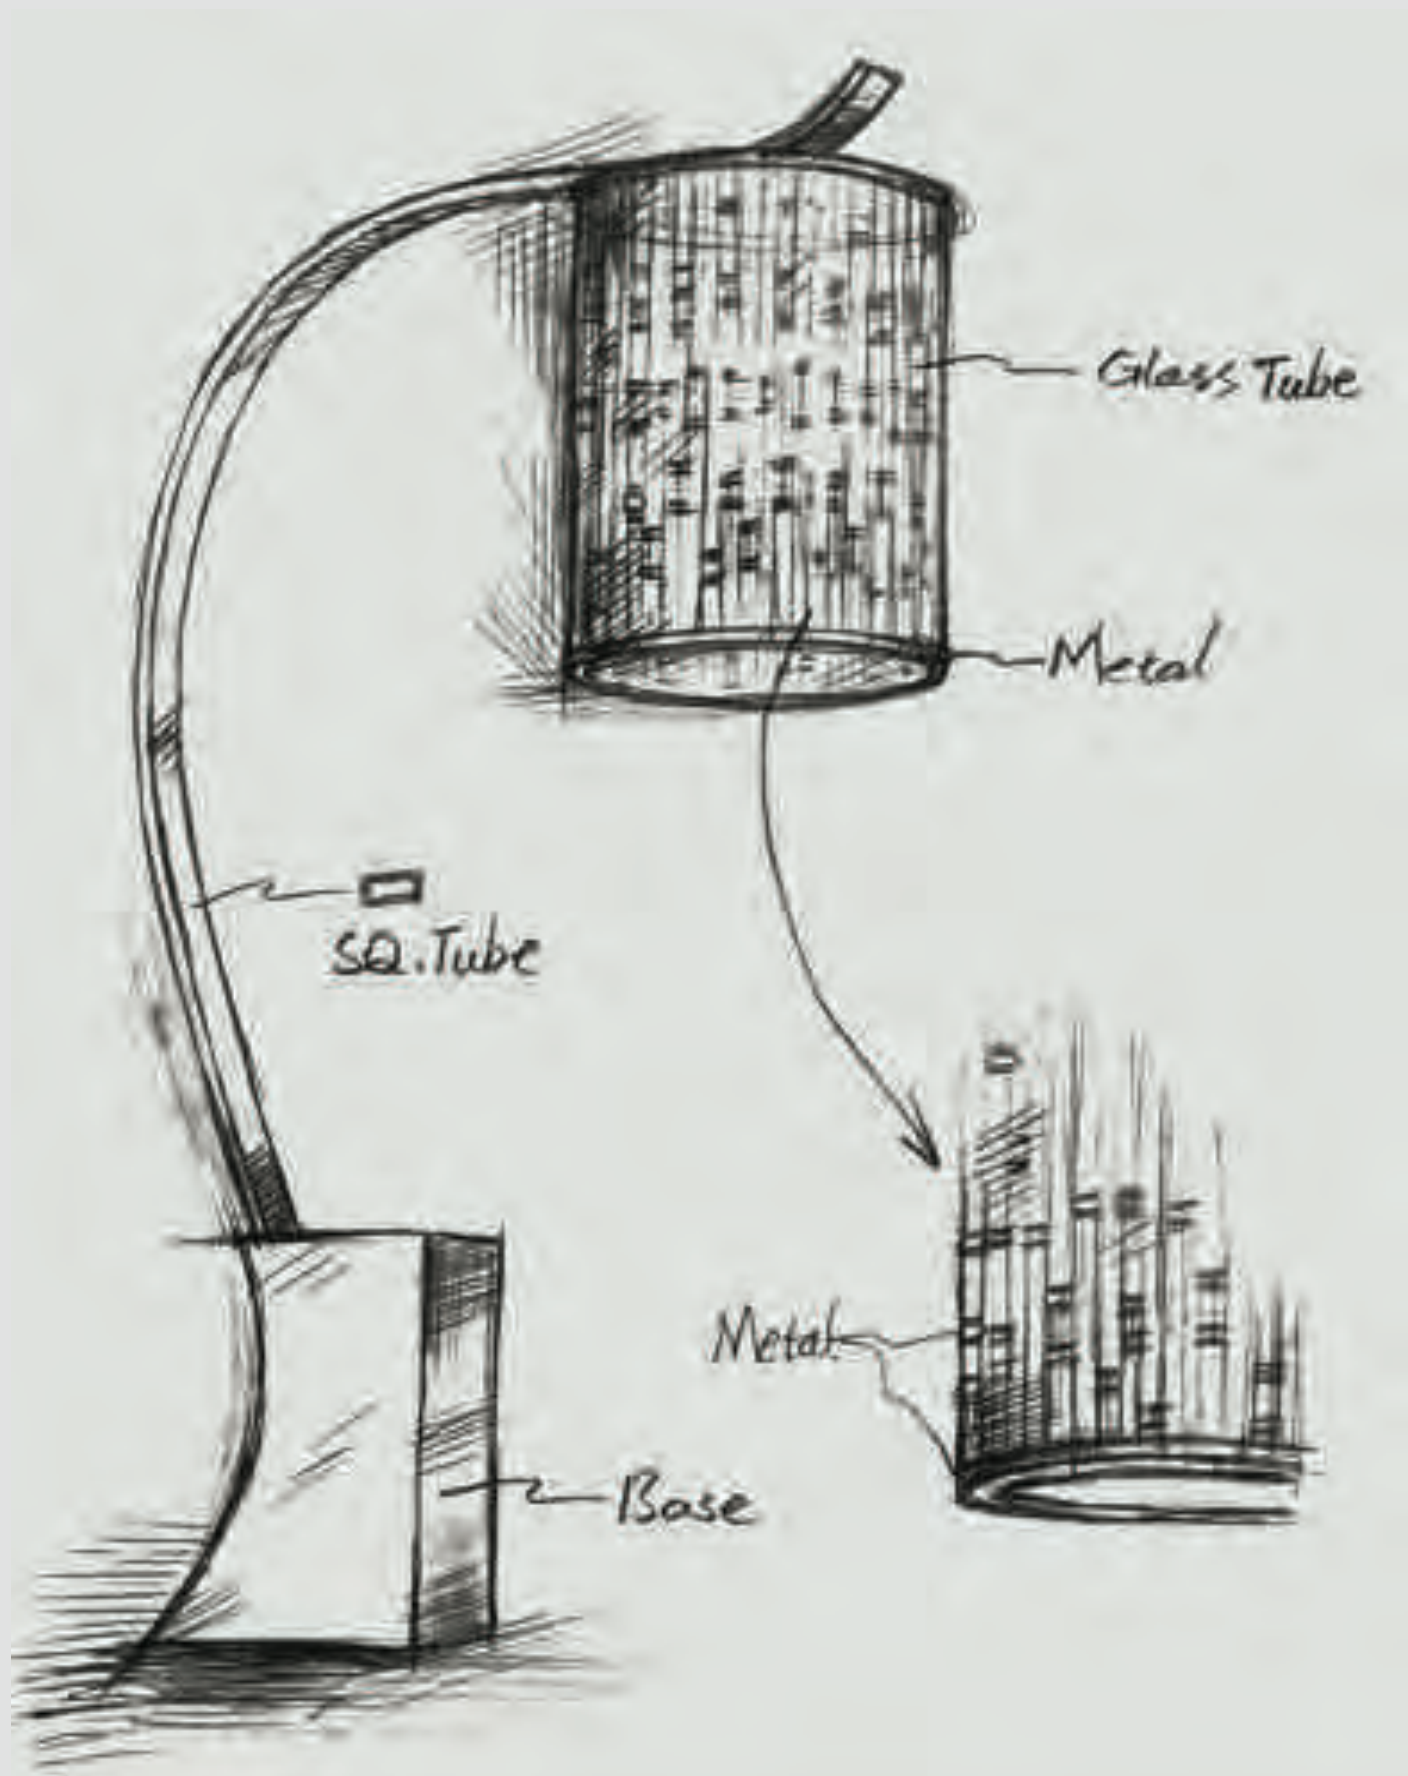

At Kalco, we create statement lighting that sets the scene for luxury residential and hospitality locations. Our work can be found in the corridors, guest rooms, and public spaces of some of the finest commercial properties around the world.

Our experience and reputation working with Interior Designers, Architects, Specifiers, and Project Managers extends across applications to Hotels, Casinos, Restaurants and Luxury Residential.

Our dedicated team provides step-by-step design and engineering support from concept to manufacturing, taking the time to understand the applications and engage with all parties to propose solutions for project needs.

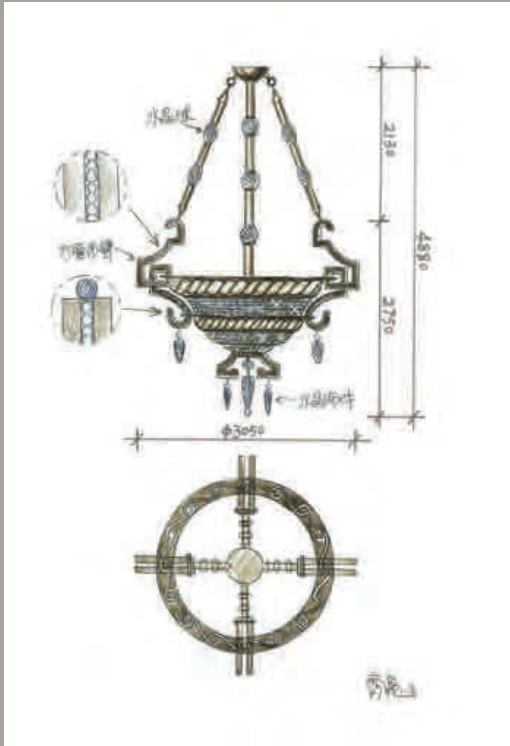

Our mission is to collaborate with our customers and create impactful, artful lighting and furnishing while providing personalized service.

We look forward to working with you !

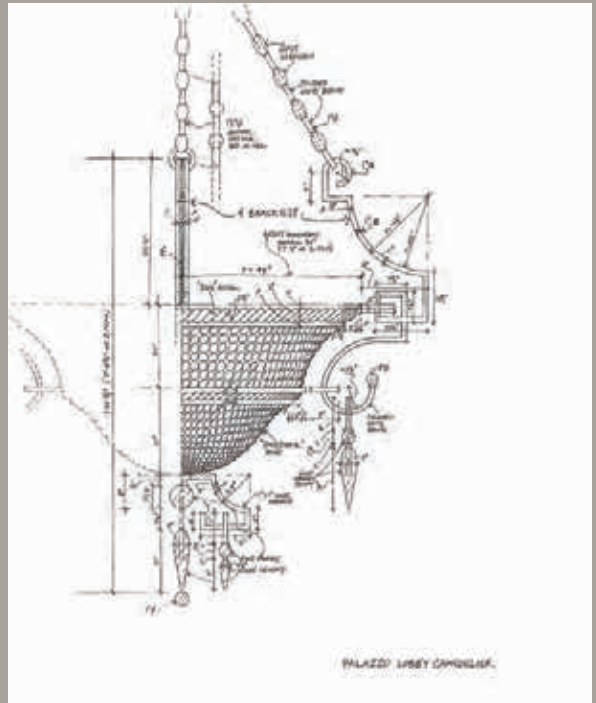

Our Process

Designer Concept is created by our designers.

Engineering Drawings with specifications.

Construction and full assembly at our factory conducting Quality Control at every step of production.

Finished product is installed on location.

Capabilities and Resources (Manufacturing Services)
