

east river outdoor

DESCRIPTION

Inspired by the underlying structure of bridges, this LED-powered fixture reflects light from the back plate forward through the architectural bridge-like metal trusses. Mounts vertically, horizontally, right or left for total installation flexibility. Includes (1) 10 watt 800 lumen 3000K LED module. ADA compliant. 120v or 277v.

wall projection 2.5" / 64 mm
