

IMPORTANT:
TURN OFF THE POWER AT THE
MAIN FUSE OR CIRCUIT BREAKER
BOX BEFORE STARTING INSTALLATION

Carefully unpack and identify all parts before beginning assembly. Bulb is not included.

1. Slip machine screw through retainer cup, note correct position per illustration, and lock them together with hex nut from bottom.
2. Slip assembled machine screw through inside of glass shade and then through font. Lock them together with finial at bottom.
3. Install light bulb (not included). See relamping label located at socket area for type and maximum allowed wattage.
4. Sit glass shade onto pan. Then install pan onto top cover by fastening securely with cap nuts from above.
5. Follow enclosed **"Standard Outdoor Mounting plate Installation Instructions"** for electrical and fixture installation onto wall outlet box.
