

IMPORTANT
TURN OFF THE POWER AT THE MAIN FUSE
OR CIRCUIT BREAKER BOX
BEFORE STARTING INSTALLATION

1. Carefully unpack and identify all parts.
2. Read and follow first the enclosed fixture installation instructions sheet before proceeding with below instructions.
3. Once the back plate is mounted on the wall, install light bulb (not included). See relamping label located on socket for type and maximum allowed wattage.
4. Install finial onto bottom of glass shade by locking into place with "L" bracket, lock washer and short screw from behind.
5. Install glass shade to back plate and lock into place by fastening two ball cap nuts onto long screws on sides.
