WELCOMING & WHOLESOME

Harvest-themed stories emphasize texture, color, and aroma – like crisp cool air scented with dewy pine and fresh maple syrup. To create designs that feel welcoming and wholesome, we mix the deepest greens with sunbaked golds, charred iron, and burnt amber. You'll love our cottage-style pumpkin lanterns, joyous pillows, hand-carved sculptures, and lustrous blown-glass gourds.

HIPSTER PET

Like your pets, ELK Lifestyle was born of a natural curiosity and playfulness. Along with adorable canine-themed pillows, you'll find farm-style cabinets and wall organizers featuring biscuit drawers, leash hooks, and convenient stow-away feeders. For that hipster pet address: galvanized steel treat canisters, and meal stations of black mesh metal and stylish reclaimed wood.

EXCLUSIVE FRAGRANCES

Exclusively-developed fragrances helped make ELK Lifestyle a leader in home fashion. Our hand-poured wax containers were inspired by antique boudoir boxes. Each is beautiful in clear or frosted glass, with crisp metal trim finished in rich copper or stylish antiqued silver. Gorgeous ornamental lids are shaped like earthy sprigs or lush tropical flowers. Choose French Vanilla, Thai Jasmine, Woodlands, or Pomegranate.
