VINTAGE BULBS NOT INCLUDED UNLESS OTHERWISE NOTED.

ADA APPROVED

MOUNTS:

MOUNTS AS UPLIGHT OR DOWNLIGHT

MOUNTS VERTICALLY OR HORIZONTALLY

DIMMERS:

Dimmable Integrated LEDs use an ELV dimmer switch or a CL dimmer switch, please see the product specifications sheet for the correct switch to use.

WARRANTY:

Please refer to Quoizel.com for complete warranty information.

In our commitment to creating best-in-class lighting, we reserve the right to make improvements to our products. These improvements may result in changes to the information contained in this printed supplement. To view the most current product specifications, detailed photography and warranty information, please visit quoizel.com.

Bulbs:

- Bulbs not included unless otherwise noted.
- Vintage Bulbs supplied are not necessarily the maximum wattage allowed.
- Products using LED and Halogen bulbs come with bulb(s) supplied in carton.
- Wattages stated are the maximum allowed; however, you may use lower wattage to suit your lighting needs.

LED:

- Integrated LED information chart provided wherever applicable.

Chain:

- (Single Tier) Chandelier, Dinette, Mini Chandeliers, Pendants, Mini Pendants and Island Lights come with 8' of wire and 4' of chain.
- (Two & Three Tier) Chandeliers and Foyer Fixtures come with 12' of wire and 8' of chain.
- All Outdoor Hanging Fixtures come with 12' of wire and 8' of chain.
- All Chain-Hung Mini Pendants come with 8' of wire and 4' of chain.

Rod:

- All rod-hung fixtures come with 10' of wire.
- All rod-hung fixtures come with (2) 6" and (2) 12" rods.

Other:

- All Rod-Hung Mini Pendants come with a minimum of 8' of wire.
- All Cord-Hung Mini Pendants come with a minimum of 8' of cord.
- All Cable-Hung Mini Pendants come with a minimum of 8' of cable.

Damp / Wet Locations:

- All flush and semi-flush mounted fixtures, bath fixtures and chandeliers are "Damp Location" listed.
- All outdoor hanging fixtures are "Damp Location" listed.
- All outdoor wall and post lights are "Wet Location" listed.

Electrical:

- All electrical fixtures are rated at 120-volt AC unless otherwise noted.
- Unless specified, all electrical fixtures are cUL or ETL listed.

Hardware:

- Backplate information and HCWO (Height from Center of Wall Opening) included for most wall fixtures (including outdoor) and bath fixtures.
- Canopy information included on almost all fixtures.
- All mirrors come with mounting hardware.

Tiffany / Naturals:

- Glass color in Tiffany lighting products vary in color. No two pieces are identical.
- Products that use natural materials are perfect for those seeking the aesthetics of natural variations. Due to its authenticity, the material may vary from pictured items.

Glass / Shades:

- Will appear darker when not illuminated.

A modern lighting fixture is shown against a dark gray background. The fixture consists of a dark, textured, cylindrical arm that branches out into three vertical, tapered, silver-colored stems. Each stem holds a lit, teardrop-shaped incandescent bulb. The bulbs are illuminated, casting a warm glow. The fixture is positioned diagonally across the frame. A vertical teal bar is on the right side of the image, containing the text 'COLLECTIONS' in white, uppercase letters.

COLLECTIONS

BISMARCK

The deep earth black finish of the Bismarck's geometric frame emphasizes the bold lines of its modern design. Plated sockets in a weathered brass finish serve as the perfect contrast in both tone and style, adding drama and depth. Pair with vintage filament bulbs for maximum flair.

Finish: Earth Black

CENTENNIAL

With a modernized silhouette and chic styling, the Centennial is sure to freshen up the duller of spaces. The modified quatrefoil frame is finished in a silky light cream, which melds effortlessly with the natural brass finish of the center stem and candle sleeves, creating a soft contemporary look.

Finish: Light Cream

LEWISTON

The industrial appeal of the Lewiston is all in the details. Domed seedy glass shades and hooded sockets make for a nautical-inspired silhouette, while sturdy piped arms and flat turn knob accents add an engineered sensibility. A clean brushed nickel finish modernizes the look and we recommend using vintage filament bulbs for maximum flair.

Finish: Brushed Nickel
Glass: Clear Seedy

CADENCE

The Cadence proves that you don't have to choose between form and function. This stunning addition to Platinum by Quoizel pairs the simple beauty of modern minimalism with the clever efficiency of integrated lighting technology. LED strands run along steel rings finished in a rich earth black and suspended from thin adjustable cables, creating a halo effect that is guaranteed to set any space aglow.

CH AN DE LI ER S

JUNCTION

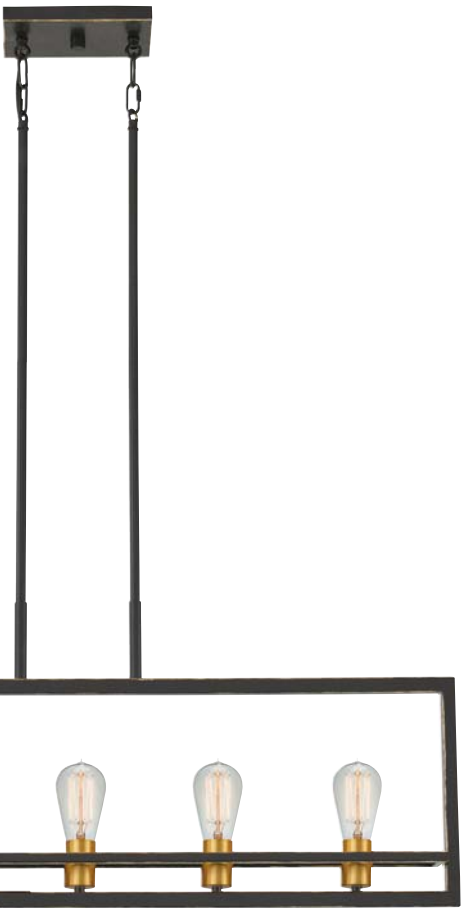

The Junction's daring silhouette and bold two-tone finish bring modern symmetry to new heights. Exposed bulbs in weathered brass-finished sockets are cradled by sets of rectangular frames which add depth and drama to this midcentury-inspired sensation. We recommend using vintage filament bulbs for maximum flair.

Finish: Palladian Bronze

JC532PN	7.5" W x 4.5" D	5-100W Med Base	DAMP

Minimalist design is mastered in the Expanse. A single crossbar serves as the frame for this chic linear standout, hosting a series of split-glass orbs with seeded bottoms to soften the integrated LED light source. Sockets in bright gold up the style ante and balance out the richness of the Western bronze finish.

EMERY

This metal shade fixture is an elegant nod to the past. The classic Americana styling adds a nostalgic flair to your home. When hung over a kitchen island or dinette table it provides ample lighting for all your daily tasks. It is available in four fabulous finishes, brushed nickel, imperial silver, palladian bronze and distressed nickel.

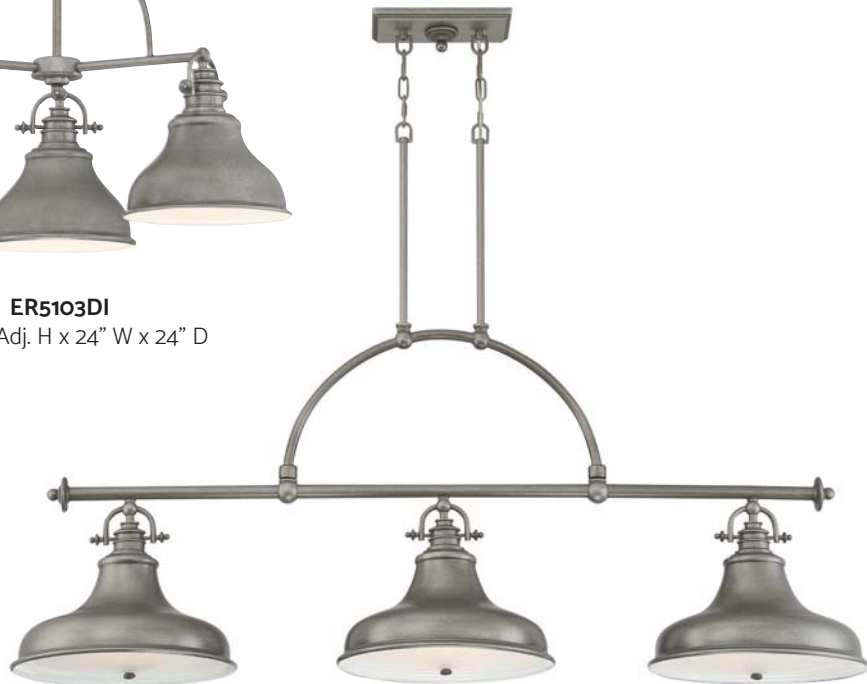

Finish: Distressed Nickel
Shade: Metal with Painted White Inside

QUEENSHIP

The Queenship is absolutely dripping with glamour. Hundreds of brilliant glass beads in graduating lengths add opulent sophistication to a traditional candle-style design. Its beauty is further enhanced by a polished nickel finish, which perfectly reflects the crystalline shimmer of this contemporary stunner.

HOLOGRAPH

The Holograph takes chic minimalism to a new dimension. The modern cage consists of a thin cubical frame, set on an angle to showcase the light source. The polished chrome socket pops against the deep earth black finish, and a vintage filament bulb adds retro flair. Select from a variety of configurations and adjust the cable to your desired height.

SHOWCASE

The Showcase collection proves that less is more. This perfectly edited design draws inspiration from the bulb itself (we recommend a vintage filament G40) to create minimalist structure with modern panache. The deep earth black finish provides the perfect backdrop for the posh painted brass socket. Select from a variety of configurations and adjust the cable to your desired height.

Finish: Earth Black

BATH
LIGHTING

The ageless style of the Andrews Bath Collection is synonymous with classic industrial design. The clear glass shades encircle the sockets and appear as though they are floating over the vintage filament bulbs. The earth black finish on the backplate, support bar and arms is the perfect contrast to the chrome accents. We recommend utilizing vintage-style bulbs for maximum effect.

The background features a series of concentric, curved lines in shades of grey, white, and teal. A dark grey arc with five small, golden-brown circular dots is prominent. A vertical teal bar on the right side contains the word "MIRRORS" in white, uppercase letters.

M I R R O R S

INTENSITY

The Intensity truly reflects the beauty of modern multi-purpose décor. Available in a variety of shapes and sizes, these frameless mirrors are illuminated by a band of light that either borders the façade or lines the interior of the silhouette. Other features include a touch-activated digital on/off switch and anti-fog technology (available on select models).

GUARDSMAN

Secure a much-needed update to your outdoor lighting with the Guardsman collection. This stately addition to Coastal Armour is constructed of a weather-resistant resin that withstands extreme climates and carries an impressive 5-year warranty. The tapered frame is finished in a classic palladian bronze and accented by a traditional carriage handle and seeded glass, which is best showcased by vintage filament bulbs.

Finish: Palladian Bronze
Glass: Clear Seedy

WILDWOOD

Nature was the first source of design inspiration and remains one of the best, as evidenced by the Wildwood collection. A whimsical tree motif is backlit through clear glass to showcase the intricate details of this Arts & Crafts design. This charming addition to Coastal Armour is constructed of a weather-resistant resin that withstands extreme climates and carries an impressive 5-year warranty. The warm imperial bronze finish is best showcased by vintage filament bulbs.

EXHIBIT

Traditional carriage lighting gets a 21st century face lift with the Exhibit collection. The robust frame features an oversized handle and rivet details, all finished in a modern earth black. It's clean lines and clear glass panels provide an open, airy feel and an unobstructed view of the bulb. We think vintage filament bulbs look best.

Finish: Earth Black
Glass: Clear

Learn more about Sea Turtle Rescue

Lighting the Way for Sea Turtle Rehabilitation

As an 87 year old, family owned company our community means everything to us. Quoizel wants to give back to it in a special way with our Sawback Tiffany lamp. Marrying our signature Tiffany design with the endangered loggerhead sea turtle, South Carolina's state reptile and most beloved ocean creature, we are donating a portion of each sale to the South Carolina Aquarium Sea Turtle Rescue Program. We hope this lamp lights the way not only for our customers, but for the hundreds of sea turtles found stranded and injured each year.

Since 2000, the South Carolina Aquarium Sea Turtle Care Center has been dedicated to rehabilitating sick and injured sea turtles. When a sea turtle is found stranded or injured, the South Carolina Department of Natural Resources brings the animal to the Sea Turtle Care Center for treatment. Turtles arrive at the Aquarium with a variety of problems, including debilitated turtle syndrome, cold-stunning, and wounds from boat strikes and entanglements.

Our staff veterinarians diagnose each turtle and work with Care Center staff and volunteers to provide treatments and rehabilitative care. Patients are given IV fluids, antibiotics and vitamins. Based on the sea turtle's condition, certain medical procedures may be performed, such as X-ray imaging, CT scanning, or surgery. Rehabilitated sea turtles are released home in hopes that they will become reproductive members of the sea turtle population.
