

ASSEMBLY INSTRUCTIONS FOR YOUR SIDE TABLE

ASSEMBLY INSTRUCTIONS:

Unpack and place all parts on a soft surface.

1. Locate the center connection piece and any leg to start assembly.
2. Assemble leg and center connection by sliding triangular arm of center connection into the triangular groove of the leg. Repeat this step for all three legs making sure the center connection piece and legs are tightly in place.
3. Secure legs and center connection together with screw provided. Hand tighten screw with Allen wrench provided.
4. Place legs on a flat level surface before applying glass.
5. Softly rest glass in the center of the legs so the glass will sit on the step at the top of the leg.
