Welcome to Influence!
This, our first issue, will
introduce you to a sampling
of the lighting products and
prices that make
Nuvo Lighting one of the
strongest brands
in the industry.

# INfLUENCE

With design from classic
to cool, technology from
visionary to vintage, and an
ever expanding presence,
Nuvo Lighting is truly a market
mover. And with over 50 years
of Satco lighting knowledge
behind the brand, you can be
sure Nuvo will continue to
influence the industry.

## LED Flush Mount
## Emergency
## Battery Back-up Ready (EMR)

EMR fixtures by Nuvo Lighting: Efficiency, safety and style all
in one package.

This all-new collection of flush mount fixtures combines the latest in LED technologies, current safety standards and adds clean, contemporary design to create one of the most advanced fixtures in the industry. Each fixture is manufactured to easily accept an emergency battery back-up disk (sold separately), which quickly transforms these attractive flush fixtures into functional emergency lighting devices. These fixtures allow safety specifications to be met without sacrificing design or efficiency.

### Features

• 100 Watt equivalent

• 20 Watts—over 80% energy savings

• 120-277V

• High color rendition (90+ CRI)

• Dimmable – 120V only

• Dimming range 20%-100%

• Suitable for damp locations
  (without use of disk)

• Operating temperature -17°C to 45°C

• 5 Year warranty

### Emergency battery back-up disk ready.

The emergency battery back-up disk, Satco model S9299 (120V) or Satco model S9780 (277V) (not included), easily mounts inside the pan of these fixtures instantly making them emergency lighting compliant. Battery back-up disk includes both the test button and indicator light. Batteries are easily accessible and included.

• Rechargeable batteries
• 90 minute run time

Remove the logo plate to mount the battery back-up indicator light and test button (included with battery back-up disk, sold separately).

Battery back-up disk (sold separately)
**S9299** - 120V Battery back-up disk
**S9780** - 277V Battery back-up disk

# FUNCTIONAL

A collection of fixtures that address common yet challenging lighting situations with advanced technologies.

## Satco smart home Z Wave enabled devices.

Control lighting and small appliances from smart phones, anywhere, anytime.

Satco's new smart home wall switches and plug-in modules allow you to control lighting, and even small appliances, right from a smart phone, anywhere you are. Enable the app for your home's Z-Wave enabled hub in a phone, and it will speak directly to our products. And each switch or module are signal repeaters, meaning the signal hops from one to the next creating a complete "mesh network" throughout the home, controllable from anywhere.

Z-Wave is the most open development environment for smart products and services, and is the protocol of choice for more than 400 of today's leading global manufacturers. And service providers have made Z-Wave their protocol of choice as well.

Satco's smart home plug-in modules and switches make Satco part of the world's largest ecosystem of smart "things" for the IoT.

## Smart home gear:

**86-100** Plug-In Appliance Module

### Features

- Turns ON/OFF incandescent, CFL, or LED lamps, and AC operated electrical appliances
- LED backlit Key for manual ON/OFF and status indicator
- Z-Wave Plus Certified
- Controls appliances up to 15A
- Functions as Z-Wave signal repeater
- Grounded 3-pin AC power receptacle to enhance safety
- Compact design - does not block the 2nd AC outlet
- Over-The-Air firmware upgrade available, if supported by controller
- Supports Network Wide Inclusion (inclusion through a repeater), if supported by controller
- Powered by Sigma Design 500 Series module inside

## Smart home gear:

**86-101** Plug-In Dimmer Module

### Features

- Works with incandescent and most dimmable fluorescent (CFL), or LED lighting
- LED backlit Key for manual ON/OFF and status indicator
- GROUP/SCENE/ALL enabled, if supported by controller
- Over-The-Air firmware upgrade available, if supported by controller
- Supports Network Wide Inclusion (inclusion through a repeater), if supported by controller
- Powered by Sigma Design 500 Series module inside
- Compact design - does not block the 2nd AC outlet
- Functions as Z-Wave repeater

## Smart home gear:

**86-102** In-Wall Light Switch

### Features

- Works with incandescent lamps, fluorescent (CFL), and LED lighting
- Fits standard wall plate (not included)
- Z-Wave Plus Certified
- Clean design with white LED status indicator
- GROUP/ALL enabled, if supported by controller
- Multiple scene control using double and triple tap
- Provides instant manual status change to controller
- Supports Central Scene command class
- Over-The-Air firmware upgrade available, if supported by controller
- Supports Network Wide Inclusion (inclusion through a repeater), if supported by controller
- Powered by Sigma Design 500 Series module inside
- Functions as a Z-Wave signal repeater
- Supports screw and wire terminals

## Smart home gear:

**86-103** In-Wall Dimmer

### Features

- Works with incandescent and most dimmable fluorescent (CFL), or LED lighting
- 7 LEDs to indicate ON/OFF/Dimming level status
- Fits standard wall plate (not included)
- Z-Wave Plus Certified
- GROUP/ALL enabled, if supported by controller
- Multiple scene control using double and triple tap
- Provides instant manual status change to controller
- Supports Central Scene command class
- Over-The-Air firmware upgrade available, if supported by controller
- Supports Network Wide Inclusion (inclusion through a repeater), if supported by controller
- Powered by Sigma Design 500 Series module inside
- Functions as a Z-Wave signal repeater
- Supports screw and wire terminals

## Smart home gear:

**86-104** 3-Way Auxiliary Switch

### Features

- 3 way switch that works with Satco 86-102 wall switch or 86-103 wall dimmer
- Fits standard wall plate (not included)
- Reliable and affordable way to add 3 way or 4 way switch
- Up to 3 86-104 auxiliary switches (5 way) can be used with one Satco in wall switch or dimmer
- Connects and controls through traveler wire
- When used with Satco 86-103 dimmer, 86-104 can also be used to control dimming
- Multiple scene control using double and triple tap
- Provides instant manual status change to controller
- Supports Central Scene command class
- Supports screw and wire terminals

# FUNCTIONAL

A collection of fixtures that address common yet challenging lighting situations with advanced technologies.

## LED track heads

### Features

- Direct replacement for 75 Watt incandescent – uses only 12 Watts
- 24˚ and 36˚ beam angles
- Dimmable
- 3000K
- 90+ CRI
- 820 lumens
- Long life: 30,000 Hours
- Sleek, clean design
- Die cast construction
- 3 Year warranty

**3 Conductor "H" type connector**

**Track with end cap removed**

Mount the "H" bracket to the J box and plug fixture using quick-connect plug.

Line up the bracket tabs and the marking on the fixture label. Slide fixture to lock onto bracket.

After tabs are aligned, slide fixture to lock onto the bracket.
(shown from above)

# FUNCTIONAL

A collection of fixtures that address common yet challenging lighting situations with advanced technologies.

## **LED** Lay-in panel fixtures

### Features

• DLC 4.0 certified
• Maintenance free—no bulb to change
• Perfect, even light distribution
• CRI > 90
• Ultra-slim edge-lit design
• Lasts 50,000 hours of continuous use
• 0-10V dimming
• Universal input voltage—100-277V
• 3500K, 4000K and 5000K versions
• Suspended or drop into T-bar grid
• Certified for damp locations
• 5 Year warranty

### Installation Options

• Lay-in
• Suspension
• Surface mount (kit)
