

ASSEMBLY INSTRUCTIONS

ITEM NO.: 6-2292-4-126

1. Carefully unpack and identify all parts referring to illustration for parts identification.
2. Turn the power to the installation point OFF.
3. Unravel the supply power and ground wires and pass them through the center holes of center tube (D), (E) and ceiling pan assembly (F).
4. Thread the bottom of center tube (D) onto the protruding nipple at top of fixture body. Repeat the process for remaining center tube (E) as shown in the diagram, until snug.
5. Install ceiling pan assembly (F) into the top of the center tube (E).
6. According to the diagram, the crystal pendant (a) hangs in the outer ring of the ring and the crystal pendant (b) hangs in the middle circle of the ring and the crystal pendant (c) hangs in the ring inner circle.
7. Install proper bulbs (not provided) to the sockets referring to the marking and/or labels on the fixture for maximum wattage.
8. Restore the power to the installation point ON.
9. Assembly is completely. Retain this sheet for future reference.
