

# VIVID UNDERCABINET

## Step by Step Component Guide

GENERATION  
LIGHTING

The Vivid LED series takes the classic xenon or fluorescent under cabinet light to the next level. Using high quality LED technology, these fixtures achieve great light output and a high level of energy efficiency at an extremely affordable price point. With local on/off switches and the ability to be dimmed down to 10% these fixtures work well for different activities or times of day.
