

LOW - VOLTAGE P E N D A N T S

Anali Pendant

DESCRIPTION

This luxurious Anali pendant light from Tech Lighting is hand-cut from a solid block of pure optic crystal with crisp lines for the perfect balance of glamour and sophistication. A hand-blown frosted glass inner diffuser gently softens the light so that the precise details of the crystal show through. Includes low-voltage, 35 watt halogen bi-pin lamp and six feet of field-cutable cable.

INSTALLATION

Socket terminates with FreeJack male connector, which may be installed into a system connector. Elements ordered with a system prefix include a connector for that system. For use on T~TRAK, order FreeJack version and T~TRAK FreeJack Connector (sold separately).
