Eros Low-Voltage Pendant

A precision die cast aluminum body serves a dual role as a geometrically appealing design detail and the heat sink for this powerful LED light source. The Eros pendant light from Tech Lighting features a high quality pressed glass optic that effectively distributes light output for excellent task lighting on the surface below while eliminating horizontal glare. Includes 9 watt, 700 net lumen, 3000K or Warm Color Dimming 3000K-2200K LED module. Dimmable with low-voltage electronic dimmer. Fixture providedwith six feet of field-cuttable cloth cord.

INSTALLATION

Socket terminates with FreeJack male connector, which may be installed into a system connector. Elements ordered with a system prefix include a connector for that system. For use on T~TRAK, order FreeJack version and T~TRAK FreeJack Connector (sold separately).
