

Strut Outdoor Path

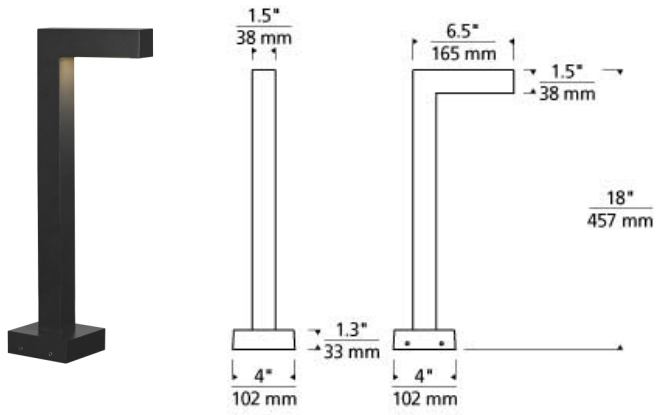

LED T20

DESCRIPTION

The Strut LED path by Tech Lighting exemplifies the epitome of a modern, minimalist design. The thin, unobtrusive clean lines of the Strut path can effortlessly disappear into its setting or can be positioned to make a bold statement. A singular line of LED down lighting with symmetric light distribution, is ideal for outdoor path and campus illumination. This unique outdoor light fixture features a durable, marine grade powder coat finish available in three finishes. Charcoal, Bronze and Black. Strut paths feature stainless steel hardware and impact-resistant, UV stabilized acrylic lensing for added durability and stability.
