

Two-Circuit T~TRAK T-Bar Connector

DESCRIPTION
To install a Two-Circuit T~TRAK™ system to a T-bar drop ceiling, add a T-bar connector to every standoff (with and without connector, sold separately). Specify 15/16" or 9/16" slat.

INSTALLATION
The T-bar clip twists into a 15/16" or 9/16" slat. (Use only if local electrical codes allow).

WEIGHT
0.1lb / 0.05kg ±

COLOR OPTIONS

- ☐ black
- ☐ white
