

LOW-VOLTAGE PENDANTS

Arcell Pendant

DESCRIPTION

Inspired by mid-century modern design, the minimalist yet playful lines create a silhouette which loosely suggests that of shop lights. Includes low-voltage, 35 watt halogen MR16 lamp or 6 watt field-replaceable LED module and six feet of field-cutable suspension cable.

INSTALLATION

Socket terminates with FreeJack male connector, which may be installed into a system connector. Elements ordered with a system prefix include a connector for that system. For use on T-TRAK, order FreeJack version and T-TRAK FreeJack Connector (sold separately).
