

Mini Layla 18 Pendant LED

DESCRIPTION

The Mini Layla 18 Ring is a low voltage modern pendant from Tech Lighting offered in Natural Brass that will patina over time, Satin Nickel, and a Nightshade Black finish. This innovative design allows the integrated LED source to illuminate up and down, providing an unexpected twist to lighting up your space. LED lighting provides energy efficiency for savings without sacrificing performance. The Layla collection is also available in a smaller 13" diameter to illuminate your space as a stand-alone piece or installed in multiples. Includes 12 volt 6 watt 273 delivered lumen, 3000K, 90 CRI, LED module. Dimmable with low-voltage or magnetic dimmer (based on transformer). Includes 6 feet of field-cuttable cable. Nightshade black supplied with bronze cable. Brass and Satin nickel supplied with satin cable.

INSTALLATION

Socket terminates with FreeJack male connector, which may be installed into a system connector. Elements ordered with a system prefix include a connector for that system.
