

# Sedona Large Pendant

LED T20

## DESCRIPTION

The large scale of the Sedona pendant light from Tech Lighting creates dramatic statement, particularly when installed with other varying sizes within the collection. While each transparent clear and transparent smoke glass orb is perfectly spherical and smooth on the exterior surface, the interior surface features gradually thickening bands of glass which are artfully crafted by talented artisans to add alluring visual interest to your space. Two, fully dimmable vintage tubular style LED lamping options are not only energy efficient, but also allow you to customize these pendant lights to your desired ambiance. Rated for (1) 120 volt, 100 watt max E26 medium base lamp (Lamp Not Included). White Glass LED version includes 120 volt 9.5 watt, 800 delivered lumens 2700K medium base LED A19 lamp. Clear and Smoke Glass LED version includes 120 volt 3.5 watt, 300 delivered lumens 2700K medium base LED T14 lamp. Ships with 6 feet of field-cuttable black cloth cord. Dimmable with most LED compatible ELV and TRIAC dimmers.

## INSTALLATION

This product can mount to either a 4" square electrical box with round plaster ring or an octagon electrical box.

## WEIGHT

8-8lb / 3.63-3.63kg ±
